IT

Fleur Paint affonda le sue origini nei 70 anni di esperienza maturati dalla nostra azienda nella produzione di colori di altissima qualità per la decorazione ed il restauro, tradizionalmente utilizzati per il recupero di dipinti antichi e opere d'arte. La ricetta esclusiva dei nostri colori si basa sul sapiente impiego di 18 diversi ingredienti tra cui pigmenti e minerali purissimi, lavorati in piccoli lotti secondo il metodo produttivo tradizionale, che permette di ottenere un prodotto con caratteristiche uniche e di facile utilizzo. Ogni colore Fleur è caratterizzato da opacità perfetta, unita a una luminosità e profondità cromatica uniche. Osservando un qualsiasi oggetto dipinto con i nostri colori, si ha infatti l'impressione che la superficie dipinta sia fatta del colore stesso. A ciò si aggiunge la capacità dei minerali contenuti in Fleur di rifrangere la luce e diffonderla sulla superficie dipinta. La gamma Fleur si compone di 81 colori unici e dalla forte personalità; ciascuno di essi è stato ispirato dal mondo della moda e del design, oppure richiama tonalità storiche dal fascino intramontabile.

Fleur Paint has its origins in the 70 years of experience gained by our company in the production of high quality colours for decoration and restoration, traditionally used for the recovery of antique paintings and works of art. The exclusive recipe for our colours is based on the clever use of 18 different ingredients including pure pigments and minerals, processed in small batches according to the traditional production method, which allows to obtain a product with unique features and easy to use. Each Fleur colour is characterised by perfect opacity combined with unique brightness and depth of colour. Observing any object painted with our colours, you have the impression that the painted surface is made of the colour itself. In addition the minerals contained in Fleur have the ability to refract light and spread it on the painted surface. The Fleur range consists of 81 unique colours with a strong personality; each one has been inspired by the world of fashion and design, or it recalls historical tones of timeless charm.

DE

Fleur Paint stammt aus der 70-jährigen Erfahrung unseres Unternehmens in der Fertigung von hochqualitativen Farben für die Restaurierung von alten Kunstwerken. Unser exklusives Rezept beruht auf 18 Inhaltsstoffe; darunter auch extrem feine Pigmente und ausgewählte Mineralien, die durch ein traditionelles Produktionsverfahren gemischt werden. Somit wird ein Produkt entwickelt, das von jedermann problemlos benutzt werden kann, auch von denjenigen, die keine Kompetenzen im Bereich Restaurierung haben. Alle Fleur Farben sind von einem extremen Matteeft, einer unvergleichbaren Leuchtkraft und chromatischen Tiefe gekennzeichnet. Wenn man sich ein mit Fleur bemaltes Objekt anschaut, bekommt man bekommt den Eindruck, dass es selbst aus Farbe gemacht ist. Fleur Paint wird aus einer Auswahl von sehr feinen Mineralien hergestellt. Das ermöglicht es, das Licht auf der bemalten Oberfläche zu brechen und zu verteilen. Die Farpalette besteht aus 81 exklusiven und unverkennbaren Farbönen; diese Nuancen haben einen markanten Charakter und stammen aus dem Design, aus der Modewelt oder sie inspirieren sich an historischen Farben.
